## PRACK Asset Management

PRACK Asset Management es un Hedge Fund Quant que produce retornos superiores a través del trading algorítmico. Descreemos de la eficiencia de mercado y habitamos la intersección entre las finanzas, data science y el desarrollo de software promoviendo la disrupción en el ecosistema Fintech.

PRACK Asset Management is a Quant Hedge Fund producing superior returns through algorithmic trading. Driven by the disbelief in market efficiency, we stand at the intersection of finance, data science and software development promoting disruption in the Fintech ecosystem.
